

The 13th annual UAS conference returns to London this November

UAS, 20 - 21 November 2013, London, UK

LONDON, UK, September 10, 2013

/EINPresswire.com/ -- UAS 2013 will feature a line-up of key military and industry speakers who will explore the growth and development of the international Unmanned Aerial System market. The leading event will feature brand new presentations, speakers and sessions, providing delegates with a unique insight into the UAS domain forecasting the developments from 2013 to 2014.

Main conference topics include: Future requirements, Transitional use of UAS from military to civilian applications, Dual Aviation Authorities, Technological advancements, Human factors in UAS and Regulations and policies.

The £100 early bird discount expires 30th September. Don't miss out and [register today](#).

Hear from the expert speaker line-up:

- Major General George B Harrison, Principal Research Engineer, Associate Director, GTRI
- Commander Frédéric Glorieux, Head of Maritime Tactical UAS, French Navy
- Bogdan Horvat, Public Relations Officer, NATO Headquarters
- Lieutenant Colonel Rispoli, Italian Air Force
- Mike Lissone, UAS ATM Integration managé, EUROCONTROL
- Captain H.L. Stomp, Postholder OPS UAS, Joint ISTAR Commando, Ministerie van Defensie, The Netherlands
