

The Practice To Buy Instagram Followers Hits Actors, Webmasters, Journalist And Photographers

ORLANDO, FL, USA, September 11, 2013

/EINPresswire.com/ -- Far from slowing, sites where any business or person can [buy Instagram followers](#) seems to be taking off just like Twitter and Facebook. The market is also becoming more sophisticated. In many cases, high-quality Instagram followers are nearly impossible to discern.

It sounds like a fairy tale but it's true and apparently it has been going on for quite a while. Nowadays is possible for anyone to buy Instagram followers and have them delivered in most cases in less than 48 hours. Apparently, the practice of purchasing followers, likes, votes, etc, for different social media networks is very used and well known by celebrities, music bands, bloggers and webmasters to search engine optimize their clients webpages.

Instagram, the online photo and video-sharing social networking service that enables its users to take pictures and videos, and share them on a variety of social networking services, such as Facebook, Twitter, Tumblr and Flickr has recently reached over 150 million monthly active users making businesses all over the world get involved in this unique platform.

"Whether it's documenting protests in Egypt, sharing the trip of a lifetime across the United States or snapping #petselfiez, this community continues to surprise us every day with your creativity, sense of adventure and unique perspectives on the world," Instagram said in a statement announcing the [new statistics on Sunday](#).

Breaking into the big leagues is difficult for any independent author, musician, or filmmaker, but new social media strategies have started to level the playing field and sites like [www.SocialMediaCombo.com](#) have been offering affordable, high tech social media services to big, medium and small size businesses using complex algorithms to attract Instagram followers, Facebook fans and YouTube views to a performer's site as fast as any million dollar PR firm.

Social Media Combo is under the wing of AddTwitter-Followers, a world provider of Web 2.0 Business Applications whose main business is helping other businesses thrive online with Twitter and Instagram followers. Currently, they hold a vast network such as the following sites: BulkSocialPromotion.com, BuyVine-Followers.com, and SocialMedia-Combo.com. These sites were created to help internet marketers and entrepreneurs on the internet become more competitive and to improve their online presence and credibility to their market.

“The demand that brands and people have to buy Instagram followers and [buy Twitter followers](#) from our different sites is and has been more than we expected. At the beginning, we were unsure whether or not these social media services would be needed, but after almost 2 years and a half, here we are, still getting as many Twitter and Instagram orders as fast as we can process” mentioned the company's sales director, Susan Soltrelly.

If in some unfortunate case, one is dissatisfied with their services of buy Instagram followers, a full refund is guaranteed through Paypal. There are various packages of Instagram Followers that can be purchased at different price ranges. The most economic package is 500 Instagram followers for \$15 dollars, the highest package is 20,000 for \$300 dollars, which is highly reasonable.

In addition to helping new online marketers, musicians, and bloggers make a big impression online, Social Media Combo has one of the best social networking blog sites for those who would rather learn and grow their social media platforms on their own. "Our blog shares plenty of tips and techniques to keep you updated on social media platforms, but for the real experience of top quality, effective promotion, we can help you really get the ball rolling in your favor fast," added Imel Seda, CEO and founder of AddTwitter-Followers.com.

SocialMediaCombo.Com is comprised of more than 25 technicians and computer “geeks” who pride themselves on being first rate in the world of social media traffic generation.
