

Daly Care Associates in Pittsburgh PA Announces Addition of Companion Services

PITTSBURGH, PA, USA, September 11, 2013 /EINPresswire.com/ -- Senior companion services are now being offered by Daly Care Associates in Pittsburgh, PA. They offer compatible senior companions to spend time with and do chores for the elderly.

Senior companion services are now being offered by Daly Care Associates, a [home care agency in Pittsburgh](#), Pennsylvania. They offer compatible senior companions to spend time with and do chores for the elderly.

[Pittsburgh home care](#) options for families who need to find care for their elderly or infirmed parents or relatives just expanded. After experiencing a surge in requests for companion services for seniors, Daly Care Associates added companion services to its roster of home care business provisions. The company is pleased to announce these additional professional services for senior companions.

“With a companion around the house of your aging parent, you definitely notice a difference. Not only is the house neat and clean and your parent's grooming improved, but spirits are lighter. There are more smiles and laughter,” says Cecilia Astrab, company spokesperson.

All of the skilled female and male caregivers are trained to serve with compassion and professionalism. All of Daly Care Associates senior companions assist with both personal and physical needs. Companions are ready and able to:

- Prepare and serve light meals.
- Help with personal hygiene.
- Assist with the activities of daily living.
- Monitor the person as needed.

All of the caregivers working for the Pittsburgh home care provider are licensed, bonded and insured, giving seniors the added peace of mind they may desire before letting a visitor into their house. They are available 24/7 if a relative or friend is suddenly detained, out of town or otherwise unable to tend to the person's needs. Daly Care Associates services can also be called upon anytime for to help with chores, hygiene and monitoring.

In addition to senior citizens, Daly Care Associates also provides home care for people of all ages with physical or mental disabilities. The service also provides respite for adults who act as

caregivers for an elderly or disabled family member.

About Daly Care Associates

Daly Care Associates in Pittsburgh, Pennsylvania, was established in 1995 as a family business. Although the home care business has expanded and grown over the years, it remains family owned and operated. The service offers many non-medical home care services in Pittsburgh and the surrounding areas, including senior companion services, transportation and homemaker services.
