

Skyline Exhibits, Trade Show Booth Producer, Nominated For 2013 Minnesota Manufacturer Of The Year.

Skyline Exhibits, International Designer and Builder of Trade Show Exhibits, Joins Other Leading Minnesota Manufacturers as a Finalist.

ST. PAUL, MN, USA, September 13, 2013 /EINPresswire.com/ -- Minnesota Business magazine has named [Skyline Exhibits](#) as a finalist for the 2013 Minnesota Manufacturer of the Year Award. Skyline is one of three companies nominated in the Large Manufacturer awards category who will be recognized for the best overall achievement. The recognition comes to trade show display company Skyline® just months after Skyline® won the PDMA Outstanding Corporate Innovator award.

Skyline Exhibits, International Designer and Builder of Trade Show Exhibits, Joins Other Leading Minnesota Manufacturers as a Finalist for the 2013 Minnesota Manufacturer of the Year Award, Given By Minnesota Business Magazine

“

The entire company of Skyline Exhibits is honored by this nomination.”

Bill Dierberger

“The entire company of Skyline Exhibits is honored by this nomination,” said [Bill Dierberger](#), President of Skyline. “Skyline is well-known in our industry as a high-quality, innovative company, that builds it right and delivers it on-time. This nomination confirms that our team is very focused upon meeting our customers’ needs and providing them with unique and valuable products that help them

succeed. Skyline would also like to recognize the other solid Minnesota businesses in our category, Red Wing Shoe, and BTD. It is a great honor to be in their company.”

As a milestone demonstrating Skyline’s innovation as a manufacturer, last month Skyline® introduced [Skyline® WindScape™](#) Exhibit System. It is the worlds’ first air-powered trade show exhibit system, and solves many of the display and event industry problems around weight, ease of set up/dismantle, drayage, and crate size.

Each finalist for the 2013 Minnesota Manufacturer of the Year Award will be profiled in the October 2013 issue of the Minnesota Business magazine, and the winner of each category will be announced at a Sept. 24 awards event in Minneapolis, Minnesota.

Skyline Exhibits is North America's leading brand of exhibit systems. Known for high-quality manufacturing, cost-saving portability, innovative functionality, creative design and exhibitor education, Skyline has nearly 100 Design Centers in North America, service centers in all the major exhibition venue cities, and representation in nearly 40 countries. The company manufactures a broad range of products for trade shows and events – from banner stands and pop-up trade show displays to large custom modular trade show booths. With over 20 integrated exhibit systems, state-of-the-art production of large-format graphics and options for exhibit rental and services, Skyline provides exhibit solutions for virtually any size or budget. Skyline® is the innovation home for Skyline® WindScape™ Exhibit System worldwide.
