

Corporate Renaissance Group Joins NetSuite Solution Provider Partner Program

CRGroup Offers NetSuite Cloud Business Management Suite throughout Ontario, the Maritimes and Northeast United States

OTTAWA, ONTARIO, CANADA, September 16, 2013 /EINPresswire.com/ -- Corporate Renaissance Group ([CRGroup](#)), a global provider of innovative solutions that improve business management and performance, today announced it has joined the [NetSuite](#) Solution Provider Program, delivering NetSuite's cloud offering to customers in the software, distribution, and professional services industries in Ontario, the Maritimes and Northeast United States. The partnership with NetSuite allows CRGroup to quickly build a cloud computing practice in order to meet the growing demand for cloud solutions among its mid-market client base.

As a reseller and certified consultancy for several mid-market enterprise resource planning (ERP) platforms, including Microsoft Dynamics GP, CRGroup has helped mid-market companies realize the business benefits of implementing end-to-end ERP applications for over 20 years. CRGroup can leverage its financial and business performance expertise to implement, customize, integrate, and extend NetSuite cloud solutions to businesses that want the flexibility and agility of the cloud. As the demand for cloud ERP accelerates, NetSuite is a valuable addition to the Corporate Renaissance Group's existing product portfolio.

The industry's leading provider of cloud-based financials / ERP and omnichannel commerce software suites, NetSuite helps companies manage core business processes with a single, fully integrated system covering ERP/financials, CRM, Ecommerce, inventory and more. Currently, more than 16,000 companies and subsidiaries use NetSuite to run more effectively without the high costs and inefficiency of on-premise systems.

"We are very pleased to join the NetSuite Solution Provider Program. In recent years we have seen a tremendous surge in demand for a cloud platform that would allow our customers to shed hardware and IT infrastructure costs without sacrificing strong ERP functionality," said Doug Hum, Director of Marketing and Business Development at CRGroup. "By using NetSuite to automate operations, streamline processes and access real-time business information anytime, anywhere, we are able to help more businesses realize breakthrough performance improvements. It is an exciting time at CRGroup."

"We are excited about the synergies that can be created by combining NetSuite's world-class

platform with CRGroup's strong team of experienced ERP experts," said Craig West, Vice President of Americas Channel Sales at NetSuite.
