

# Method Test Prep Launches First Annual PSAT Week with Free Webinars

WEST ISLIP, NY, USA, September 16, 2013

/EINPresswire.com/ -- [Method Test Prep](#), experienced SAT prep and ACT prep provider, offers free webinars for parents and students during PSAT Week. These free classes will help students master the PSAT and receive more scholarship opportunities.

Method Test Prep is launching their first annual "PSAT" week from October 10th through October 17th. The test prep company will offer four free online classes for both parents and students throughout the week. The online classes will cover the facts about the PSAT and key strategies that students can use to perform better.

Students and parents can register for the free online classes at the Method Test Prep website. Each class will be available at two times, back to back, in the evening. If the times aren't convenient for participants, they can register and receive a recording of the session the day afterwards.

The free [PSAT sessions](#) include:

Parents: Simplify the PSAT/SAT/ACT Process

- Thursday, October 10th from 8:00 – 8:45 pm EST
- Thursday October 10th from 9:00 – 9:45 pm EST

Parents will learn the facts about the PSAT and its role in leading up to the SAT and the ACT. They will get an overview of the knowledge needed for the test.

Students: PSAT Reading and Writing Class

- Monday, October 14th from 8:00 – 8:45 pm EST
- Monday October 14th from 9:00 – 9:45 pm EST

This class will help students score higher on the PSAT Reading and Writing sections.

Students: PSAT Math Class

- Tuesday, October 15th from 8:00 – 8:45 pm EST
- Tuesday, October 15th from 9:00 – 9:45 pm EST

Students will learn strategies and time saving techniques for the Math portion of the class.

Students: PSAT Math, Reading and Writing Class

- Thursday, October 17th from 8:00 – 8:45 pm EST
- Thursday October 17th from 9:00 – 9:45 pm EST

This class will take a combined approach and cover all of the major sections on the PSAT. This is a good choice for students who are taking the PSAT on Saturday, October 19th.

Students entering their sophomore or junior year of high school often take the PSAT to both prep for the SAT and become eligible for important college scholarships. Performing well on this practice test is a top priority for students who want to maximize their future SAT scores and their scholarship opportunities.

All Method Test Prep classes are taught by professional instructors. MTP's instructors regularly take the SAT and the ACT in order to stay up to date with the current test, and develop new strategies for maximizing scores. Most work hundreds of hours per year preparing students in person or through online tutoring. They have graduated from top universities and bring their passion and enthusiasm for teaching to these free online classes as well as standard [SAT and ACT prep classes](#).
