

New Jeep Patriot Now Available At Northstar (Redcliffe) Chrysler Jeep Dodge

Drivers looking for a new Jeep Patriot can now find them at Northstar (Redcliffe) Chrysler Jeep Dodge.

REDCLIFFE, QLD, AUSTRALIA,
September 18, 2013 /

EINPresswire.com/ -- The wait is over for drivers who have been waiting for the new Jeep Patriot. The vehicle is now available for test drives at Northstar (Redcliffe) [Chrysler Jeep Dodge](#).

Buyers who want a Jeep in Brisbane can call the dealership at 07 3106 0264 to schedule a test drive.

The new model is distinctively Jeep with its signature seven-slot grille, trapezoidal wheel arches and round, halogen headlights. However, it's not just the vehicle's looks that give drivers a high-tech 21st century driving experience.

“

If you're looking for a smooth ride that's backed by the power of a 125 kW, 2.4 litre petrol engine, the Jeep Patriot is the right choice.”

Bob Aldons

The Jeep comes with an Electronic Stability Control (ESC), All-Speed Traction Control and Electronic Roll Mitigation to help keep drivers and passengers safe. The ESC system helps drivers maintain control of the vehicle by sensing if the driver is over or under steering. If this happens, the vehicle automatically brakes to help drivers stay in control at any speed. Furthering the safety features in the Jeep Patriot are multi-stage driver, front passenger supplemental side-curtain air bags.

"If you're looking for a smooth ride that's backed by the power of a 125 kW, 2.4 litre petrol engine, the Jeep Patriot is the right choice. It's the perfect combination of power and luxury and we know our drivers will fall in love with just one test drive," said Bob Aldons of Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.redcliffe.cjddealer.com.au/>).

Drivers who are interested in learning more about the new Jeep Patriot can contact Northstar Chrysler Jeep Dodge to [book a test drive](#), [request a quote](#) or just ask for more details about the
