DES MOINES, IA, USA, September 18, 2013 /EINPresswire.com/ -- <u>Health and wellness technology</u> company, BettrLife, has announced today the formation

of a new strategic Advisory Board to help guide company as it rolls out its innovative <u>virtual</u> <u>health coaching</u> platform.

"We are pleased to have a diverse group of medical and business professionals who will help

We are pleased to have a diverse group of medical and business professionals who will help guide our growth"

BettrLife CEO, Don Schoen

guide our growth," said BettrLife CEO, Don Schoen. "They each bring extensive experience and will provide valuable contributions to the development of the BettrLife system."

Advisory Board members will periodically meet to advise BettrLife executives on product development, marketing strategy and other areas of growth. BettrLife's platform can assist healthcare providers, health plans, and employers in

creating healthier populations through nutrition tools, virtual health coaching, and food and exercise logging.

The Advisory Board members include:

- -Brad Archer, MD Executive Medical Director, MercyCare Community Physicians, Cedar Rapids, lowa
- -Joe Garcia, MBA South Central Territory Director at Aflac
- -Les Jebson MHA, FACHE, FACMPE, LHRM Administrator at University of Florida Diabetes Center of Excellence
- -Julie Meek, PhD, RN Clinical Associate Professor, Department of Environments & Co-Director, DNP Program at School of Nursing, Indiana University

- -Jim Painter, PhD, RD Professor at the School of Family and Consumer Sciences at Eastern Illinois University
- -Laura Jana, MD, FAAP Founder & President, Practical Parenting Consulting, LLC
- -Ignatius 'Nate' Brady, MD, MPH Medical Director for Occupational Health, MercyCare Community Physicians in Cedar Rapids, Iowa
- -Jeanine 'Nini' Martin, FHIMSS Director, National Healthcare, Americas Alliance Liaison & Global BI in Health Lead, Avande Inc (Microsoft/Accenture joint venture)

About BettrLife

Founded in 2010, BettrLife is an innovative technology company that delivers a robust software solution that empowers consumers to take an active role in their own health and wellness using a comprehensive suite of food, nutrition and exercise tools. BettrLife's mobile and web portals integrate with its proprietary HealthCoach Dashboard, allowing for personalized engagement between consumers and health professionals.
