

# SUNY-The College at Old Westbury is Live with ParkingPlus

*Students can order their campus parking permits online 24/7*

NORTHFIELD, IL, USA, September 19, 2013 /EINPresswire.com/ -- SUNY-The College at Old Westbury has implemented [ParkingPlus®](#) from [Credentials Solutions](#). Students and staff can now order their parking permits online 24/7. ParkingPlus® automates the application, payment, production and mailing of parking permits. The system also offers a secure, searchable database for campus law enforcement.

ParkingPlus from Credentials Solutions provides schools with an online student parking permit ordering system that saves time and money.

Credentials provides a branded online form for permit ordering. Old Westbury's parking permits are created and mailed within hours of the order being placed. The program is supported by Credential's industry-leading customer service which answers all student calls and inquiries. Customer Service Representatives are available 12 hours per day, Monday-Friday.

By utilizing this service, SUNY-The College at Old Westbury has eliminated the lines at the beginning of the semester when students want to purchase their permits. The school has also lowered overhead by greatly reducing the number of [student parking permits](#) requiring storage and minimized credit card, postage and labor costs.

## About Credentials Solutions

With flagship product TranscriptsPlus® and integrated automation software RoboRegistrar®, Credentials Solutions supports all major SIS platforms while providing online ordering, automated hold checking, integrated student communications with 12x5 customer service, and electronic extraction and delivery including EDI, XML and Secure PDFs. Transcript ExchangePlus™ enables client institutions to send transcripts electronically through Credentials' secure network as well as industry accepted transcript hubs, while integrating with the eRoboMail™ service, which assumes the printing and mailing of paper transcripts. In addition, Credentials also offers ParkingPlus®, which automates parking permit ordering, payment, and fulfillment.
