

# Attend an exclusive site visit to the Airbus Military Facility featuring a display of the A400M airlifter

*SMI's 14th annual Military Airlift conference, 3rd - 4th December 2013, Seville, Spain*

LONDON, UK, September 20, 2013  
/EINPresswire.com/ -- LATEST  
ATTENDEES INCLUDE: UK MoD, NSPA-  
NATO, Austrian MoD, Heavy Airlift  
Wing

Now in its 14th year, Military Airlift 2013 will feature a line-up of high-level military speakers and key industry stakeholders to provide an update on Europe's tactical airlift capabilities.

The early bird expires at the end of this month – have the chance to join industry peers and senior military figures at Europe's largest bespoke Military Airlift conference. [Register today](#) and save £100.

We are pleased to announce the Airbus Military A400M airlifter, known as the most versatile airlifter of the 21st Century, will be on display at the 14th annual Military Airlift conference. Don't miss the unique opportunity to attend an exclusive site visit to Airbus Military Facility and get up close to the tanker at the forefront of the airlift industry: A400M Final Assembly Line. You will also have the chance to visit displays to both their Medium and Light aircraft, CN235 and C295 Final Assembly Line.

Places are now limited so please register today to guarantee a seat.

Key areas to be covered:

- Hear how to face the challenges created by cuts to the defence budget in airlift and how this effects procurement from the new Director of OCCAR, Rowntree

The largest bespoke Military Airlift conference in Europe
