

Global Elite Thrilled with New Secret Fast Juice Fasting Club

LOS ANGELES, CA, USA, September 21, 2013 /EINPresswire.com/ -- Some members only clubs are for gambling, others to see and be seen. But the new Secret Fast club was so intriguing that I wanted to become a member.

As a reporter for a prominent news agency, I report about places you should visit and venues you should avoid.

When I saw posts from the global elite community on Facebook about "Secret Fast", I sprang into action. I looked for this new [health spa retreat](#)'s locations, and begged for an invitation so I could write about it.

They offer [juice fasting for weight loss](#), the [best anti-aging skin care](#), and networking with carefully selected club members - from politicians to Hollywood's elite to millionaires, artists, authors... It sounded so exclusive!

I tried to find the location of a "Secret Fast" club but could NOT. I emailed the millionaire who had posted about it, but got no reply. Her secretary responded: "'Secret Fast' members cannot reveal anything about these luxury spa resorts. They're designed for people who, because of their celebrity, cannot enjoy regular spas because there is no privacy."

"They're not interested in reporters writing about their inner workings," she continued. "My boss joined this exclusive club to do juice fasting in secluded places, surrounded by nature and away from prying public eyes. She can walk around without make-up and mingle in the most discreet settings possible. She's excited about meeting her counterparts from other countries, getting to know politicians, musicians, actors, and making new business deals, all while getting healthier."

I wanted to go to "Secret Fast" to make powerful new friends, gain a golden Rolodex and drop 7-10 pounds! How could I become a member?

It seems I either need a personal recommendation from a "Secret Fast" member, or I can become an online member at www.secretfast.com. The \$29.99 membership provides wellness information, forums and videos. The \$299.99 membership has extra benefits and increases my chances of becoming a member, because they will invite several people from this group to join each year.

I'm ready to go!! I need someone influential to recommend me, and I could be juice fasting with maybe Hillary? Angelina? Could you help me, please?
