

# Paradigm Life releases “Infinite Banking 101”– it’s simple and it’s FREE!

*Paradigm Life introduces our new Infinite 101 site; a learning platform where you can learn more about the Infinite Banking concept.*

SALT LAKE CITY, UT, USA, September 30, 2013 /EINPresswire.com/ --

Paradigm Life, the leading expert in the

[Infinite Banking](#) Concept, has released a new version of their online Infinite Banking 101 course that will bring you infinite financial freedom. Easily and simply. Now you can revolutionize how you use your money; borrow money, without a lending institution; and have all the security of a high cash value, whole life insurance policy. Think of it as a policy that not only pays out “death benefits” but provides life benefits, too!

Simply stated, the [Infinite Banking Concept](#) is a strategy for creating a dividend-paying whole life insurance policy from some of the oldest financial institutions in the USA. These are “mutual” companies that are, actually, owned by the policyholders.

The Infinite Banking Concept is not a new idea. In fact, it was conceived over 100 years ago and written about in a best-selling book, “Becoming Your Own Banker: Unlock the Infinite Banking Concept,” by R. Nelson Nash, about 15 years ago. Today, The Wells Fargo Bank, Bank of America, General Electric, Comcast, JP Morgan Chase, CBS Corp., Wal-Mart and a host of other leading corporations hold billions of dollars in similar cash value insurance policies.

But it wasn’t until Paradigm Life dedicated their experience and their expertise, in fact, dedicated their entire business platform to explaining and implementing one of the industry’s most [financially-sound life insurance](#) strategies, that The Infinite Banking Concept has begun to take hold.

And it wasn’t until right now that Infinite Banking 101 makes the strategy accessible to everyone. No sales pressure, no appointments, no waiting. Just everything you need to learn how to accumulate wealth and how to grow it; for personal, business, investment and real estate uses, just to name a few.

**PARADIGM LIFE**
