A spokes person from the company told the reporter, "We at FurnitureInFashion work hard to create functional furniture which is practical and affordable. We do our best to provide top notch quality and style with a flare of fashion. This product is designed to bring a touch of elegance in the room and it is suitable for small and large room as you can easily extend the table and add more chairs to it."

The CEO of the company told us, "We are famous for our designs and quality control. We are also known for our product range. We cater to domestic clients as well as the professional interior decorators and no matter what kind of environment they want to create, they will always find something suitable and beautiful in our collections. We ship our product worldwide and we have an accommodating customer support."

#### About FurnitureInFashion

FurnitureInFashion is a UK-based online retail business. It supplies furniture from its German-based warehouse and has a showroom in Bolton, UK. The company provides everything from umbrella stands, wall art and room dividers, to bedroom suites, bar stools, and computer tables. FurnitureInFashion offers free delivery within the UK and is rightly proud of its excellent customer service. For further information and details about sales, please visit <http://www.furnitureinfashion.net>.

Furniture in Fashion was established in 1998 and since then we've gone from strength to strength, providing quality furniture and service at affordable prices. Based at our 60,000 square foot warehouse and showroom in Farnworth near Bolton, we started off importing our furniture and now we've become one of the largest furniture stores in the UK, with a strong online presence. Our years of success has been based on providing high quality German-manufactured furniture, shipped in directly from our 500,000 square foot warehouse in Germany.
