

Nature's Touch® Announces Partnership with Carlin O'Brien

Broker to represent line of all-natural personal lubricants

CINCINNATI, OH, USA, October 3, 2013

/EINPresswire.com/ -- [3-D & Company](#), LLC, a developer and manufacturer of natural health and beauty products, today announced that they have reached agreement with Carlin O'Brien to serve as representatives for the Nature's Touch® line of certified [natural products](#).

Effective immediately, Carlin O'Brien will provide both headquarter and retail support for the line of intimate moisturizer products throughout the greater Midwest.

"With the continued growth of the Nature's Touch line and the natural health and beauty segment we went in search of a partner to help us maintain our momentum," said Dave Dourson, Vice-President of Sales at 3-D & Company. "The professionalism of the Carlin O'Brien team and their strong relationships with major Food, Drug and Mass retailers made them a perfect fit for our growth plan in the Midwest."

The Nature's Touch® line of certified natural intimate moisturizers was developed to provide a healthy, natural alternative to traditional petroleum and silicon-based personal lubricants. The Nature's Touch® product line includes water-based and oil-based formulas that are free of hormones, parabens, petrochemicals, artificial fragrances, flavorings and dyes. All products in the Nature's Touch® line are pH balanced for women and gentle enough for daily use to relieve discomfort caused by vaginal dryness.

"We're excited about the opportunity to really help accelerate the growth of Nature's Touch in our territory," said Jeff Mahler, President of Carlin O'Brien. "Nature's Touch has a great portfolio of products and our team knows how to sell them. This will truly be a great partnership."

Carlin O'Brien is a full-service regional brokerage headquartered in Chicago and with regional offices throughout the upper Midwest. Since 1962, they've built industry relationships on a foundation of action and a commitment to delivering revenue for brands, in real time, through
