You can count on us to provide emergency dental services for the whole family," says Dr. Siamac Mashod.

The website practice, (<http://www.dentist-in-jacksonville.com/emergency-dentist.html>) offers helpful tips for adults and parents in the case of a dental emergency. They include the following:

- Broken Tooth. Rinse the mouth out with warm water to gently cleanse the affected area. To minimize any swelling, apply a cold compress to the area.
- Bitten Lip or Tongue. Gently clean the area and apply a cold compress to minimize any swelling. If bleeding persists, go to the doctor or to the emergency room.
- Toothache. Rinse the mouth with warm water to gently clean it out. With minimal pressure, use dental floss or an interdental cleaner to ensure that there is no food or other debris caught between the teeth that may be causing the pain.

Same-day emergency appointments for parents, adults, children or teens are available by calling (904) 645-9162. Mashod Family Dentistry's emergency dentist can relieve any pain caused by broken teeth, bleeding or swollen gums, or losing a crown.

Mashod is proud to provide high-quality dental services for all of its patients, which includes use of state-of-the-art equipment and the latest in all diagnostic technology. In addition, the practice offers cosmetic dentistry, braces, oral surgery and sedation dentistry.
