

Organo Gold Gourmet Coffee to Launch Business in Kenya

KNOXVILLE, TENNESSEE, UNITED STATES, October 11, 2013 /EINPresswire.com/ -- Organo Gold is taking its mission seriously and will be delivering their product and opportunity to as many countries as possible. Kenya is next on the list! The upcoming launch of business in Kenya will open up a one-of-a-kind opportunity to those who reside there. Just about everywhere you look, no matter where you are, you can bet that coffee is one of the most consumed beverages in the world.

People are coffee lovers. Some have coffee every morning and some throughout the day. Coffee is a beverage that is well loved. Many residents of Kenya have been anticipating this awaited launch. They are ready and willing to cash in on the Organo Gold opportunity. Not only will their bank accounts grow, but they will enjoy consuming a quality coffee product that is quite different than any other coffee product anywhere.

The main ingredient that sets Organo Gold apart from other brands of coffee is the fact that Organo Gold coffee contains an ancient Chinese herb called Ganoderma. You can read more about the product when you visit

<http://cgteencafe.organogold.com/r/US/business.html>.

Organo Gold uses direct sales to market their premium coffee in venues worldwide. There are independent distributors located in many areas of the world. It's time to buckle your seat belts, Kenya residents! Organo Gold is on its way to you with an opportunity that you cannot resist.

The coffee is available in various flavors. They are as follows:

Hot Chocolate
Black Coffee
Latte
Mocha
Green Tea

Each variety includes 100% Ganoderma. With top notch quality, Organo Gold has customers embarking on the journey to keep an ample supply in their household.
