

Spooktacular SG Domain Promo That Comes With Free Web Hosting

A web hosting provider that currently serves more than 65,000 clients in over 121 countries and manages over 1,000 servers.

SINGAPORE, SINGAPORE, SINGAPORE, October 14, 2013 /EINPresswire.com/ -- SINGAPORE, OCTOBER 14, 2013- Great news, Exabytes Singapore is offering domain with just SGD 39.90 instead of SGD 59.90, and best of all is it comes with a free powerful web hosting. Now, domains with extensions such as .sg, .com.sg, .net.sg and org.sg can be obtained at a lower price due to the upcoming Halloween celebration, plus, with the well-organized structure of the free web hosting services, E-business can be made efficient and effective. The powerful web hosting solution that can power up business growth, effectively manage emails, assist in normal website and mobile website building, enhance traffic and Google search rankings, as well as turn hackers away will ultimately boost business productivity.

Presently, businesses are searching high and low to have a Singaporean personalized domain name in order to establish the true identity of Singapore. The CEO of Exabytes, KS Chan, confirmed that 'Since Singapore is a ground that offers great business opportunity to many, there are today over 150,000 .sg domains that have been registered as apprised from SGNIC registry'.

The confidence level tends to expand with the usage of SG domains as customers place higher level of trust on a legally registered company in Singapore or when Singaporeans are the owners of a particular business. Taking note on such mentality, having SG domain names allows 'Higher Rank' on search engines, no matter the business is in the form of blog, e-store or an ordinary website.

Chan further explained that 'the EBiz Power Hosting package includes 50GB disk space for each user with web hosting and email storage, 50GB monthly data transfer per user, unlimited add-on domains, sub-domains, parked domains and FTP accounts, website statistics reports and many more'. Furthermore, customers will also be rewarded with free lifetime domain name, along with 2GB Instant Backup, an automated backup service for the backup of important data for desktops and laptops.
