

HARNN USA Seeks Partners for Licensed Retail HARNN Concept Stores

SEATTLE, WA, USA, October 14, 2013 /EINPresswire.com/ -- [HARNN](#) USA announces the creation of a Licensed Retail Store business model, now available to entrepreneurs interested in offering HARNN's unique line of all natural spa products to their local customer base.

HARNN USA is excited to announce licensed [retail store opportunities](#) to entrepreneurs interested in providing their clientele with a unique collection of unparalleled luxury spa products that pamper the mind, body and soul. "We are eager to establish partnerships with ambitious entrepreneurs that are looking for a unique business opportunity that will give them the chance to be part of a major brand development in the US market with the potential to grow a fast and steady retail-based income," says Eric Crider, CEO of HARNN USA.

Since 2009, when HARNN's unique collection of all natural home spa products was first introduced to the US, HARNN USA has continued to grow brand awareness and establish a very loyal customer base stateside. By offering licensed retail store opportunities, Crider is excited to provide customers greater access to the unique line of products formulated with proven ancient processes and all natural ingredients.

Crider's hope is that through additional retail partnerships, he and his team will be able to continue to increase brand identity and awareness while making the much sought after products more readily available to customers nation wide. With this retail expansion, HARNN USA will have the opportunity to explore multiple distribution channels while focusing more on the various and ever-changing customer needs.

HARNN offers an array of signature collections, including hair and body care products, a bath and massage oil line, two facial lines, an organic tisane line and an interior fragrance collection. All of the collections in the HARNN lineup utilize pure essential oils and all [natural plant extracts](#), creating an exotic, results-driven collection of products that are meant to restore and maintain

the natural balance between mind, body and environment.

As customers have the opportunity to get a hands-on feel for these professional spa-quality products, the naturally lavish attributes quickly become apparent, creating a loyal customer following based on true elements of the products. Unlike similarly marketed products with questionable claims, HARNN delivers honest results based on proven ancient beauty practices and methods derived from Japan, India, China and Thailand. As HARNN USA expands their retail presence, a real focus on product development will emerge to educate current and potential customers alike, making the fundamental product components even more transparent.

HARNN USA would like to encourage anyone interested in a retail store partnership to contact their team to discuss details and potential store locations. A complete retailer agreement has been outlined and approved by CEO Eric Crider, assuring that the business model is complete and fair for all parties involved, and he is eager to discuss possibilities with serious entrepreneurs looking for a unique business opportunity.
