

# Giftsin24.com Expedites Customer Checkout Process With Amazon Payments

*Giftsin24.com, a company that produces personalized stationery, is now accepting Amazon Payments for online orders.*

AURORA, IL, USA, October 14, 2013

/EINPresswire.com/ -- [Giftsin24.com](http://Giftsin24.com) has a new way for their customers to pay for online orders. The company is now offering [Amazon](#)

[Payments](#) as a payment option at checkout. Amazon Payments allows customers to pay for Giftsin24's products by using payment methods already associated with the customers' Amazon.com account. Now, Giftsin24 customers can purchase their personalized stationery or napkins using a credit card, bank account, or Amazon Payments Account balance.

“

Amazon Payments will expedite the purchasing process for customers who have an established Amazon.com account.”

"Amazon Payments will expedite the purchasing process for customers who have an established Amazon.com account. Instead of searching for a credit card every time they make a purchase, they can just click on the Pay With Amazon icon to login, access their account and pay with the method on file. It's simple, fast and easy," explained [Dustin Baker](#) of Giftsin24.com ([www.Giftsin24.com](http://www.Giftsin24.com)).

Amazon Payments ease the concerns that online shoppers may have about sharing banking data because payment information is not disclosed to the vendor; it is maintained by Amazon.com. In addition to Amazon Payments, Giftsin24 accepts Visa, MasterCard, Discover, American Express, Diners Club, and JCB as payment for orders placed online. Anyone who wishes to use a bank account to pay for orders is encouraged to create an Amazon Payments account to make Giftsin24.com purchases.

"Amazon Payments is completely safe and secure. Neither Giftsin24 nor Amazon shares credit card information with third parties and if there are ever any unauthorized charges, customers can contact us to dispute them and we'll take care of it," noted Baker.

Giftsin24 customers who want to use Amazon Payments but do not yet have an Amazon Payments account will be prompted to sign up for one when they make their first purchase with

Customers can order their personalized napkins and personalized cards and pay through their existing Amazon account.

Amazon Payments at [Giftsin24.com](http://Giftsin24.com). Amazon Payments accounts are automatically linked to the customer's existing Amazon.com account, eliminating the need for a separate registration process. Customers can set up the account with a credit card or bank account.
