Woodbridge Family Dental, a leading [dental practice in Woodbridge](#), Virginia, recently announced it now provides emergency dental treatment for both adults and children. The practice is open and available for emergencies from 7 a.m. to 7 p.m. Monday through Saturday. Emergency [Woodbridge dental care](#) is available for painful problems that need prompt attention, such as broken or missing fillings; impacted wisdom teeth; infected, inflamed, swollen or aching teeth; cracked, broken or missing teeth; broken bridges; cracked crowns, damaged dentures; and bleeding or swollen gums.

"Anything that keeps you from living your life normally because of a tooth problem qualifies as a dental emergency. Seek treatment from our emergency dental clinic because it is neither safe nor prudent to wait. We are prepared to perform an emergency tooth extraction or take care of any other immediate concerns you have with your teeth," says Hassanoor Abdirahman, Woodbridge Family Dental spokesperson.

Woodbridge Family Dental is known for its relaxed atmosphere and attentive staff. It is important to their dentists to use only the most recent advances in industry technological equipment and treatment methods and processes. Dr. Hassan, a member of both the American Dental Association and the Academy of General Dentistry, is adamant about keeping up his dental skills and education by taking advanced educational courses in pediatric dentistry and prosthodontics.

In addition to an emphasis on emergency dental treatment, Woodbridge Family Dental offers services for adults and children that include dentures, root canal, dental crowns, teeth whitening, and cosmetic dentistry services. The multi-lingual dental practice offers its services to patients who wish to communicate in English, Spanish and Swahili.

Patients who are experiencing the need for emergency treatment should call (703) 661-9607. The Woodbridge Family Dental office serves customers primarily from Woodbridge, Dale City, Dumfries, Manassas, Triangle and Stafford, though people do travel from farther away on

occasion.
