

The Center for Scholastic Inquiry International Academic Research Conference

Call for Papers and Registration Now Open

GRANITE FALLS, MN, USA, October 21, 2013 /EINPresswire.com/ -- Granite Falls, Minnesota – October 21, 2013

The Center for Scholastic Inquiry is pleased to announce its [academic research conference](#) on April 10-11, 2014, in San Francisco, California. The conference highlights academic research in education, business and behavioral sciences to support superior, break through scholarship and establish a platform to recognize and celebrate luminaries, pioneers and practitioners in the professions of education, business and behavioral sciences.

The conference, which is being held at the Sheraton Fisherman's Wharf Hotel, will be preceded by a conference-eve reception followed by two days of education, business and behavioral sciences track breakout sessions, a morning keynote address, and networking gatherings. This inquiry-focused conference, centered on leading edge academic research, is a stimulating and dynamic event aimed at identifying and advancing best practice and promising innovative methods.

The conference [call for papers](#) is now open and will close March 14, 2014. Individuals are encouraged to submit proposals that focus on landmark scientific findings, promotion of best practice, advancement of evidence-based practice, ground-breaking research, revolutionary theory or innovative technique in the fields of education, business or behavioral sciences. Guidelines for submissions are available for review.

Early registration for conference attendance is currently open. Standard registration for conference attendance begins October 31, 2013. Individuals are welcome to review registration details or take advantage of early registration rates.

About the Center for Scholastic Inquiry

The Center for Scholastic Inquiry was established to provide education, business and behavioral science professionals with a scholarly forum for exploring and sharing the latest academic research in their respective fields. To achieve this objective, the Center for Scholastic Inquiry hosts elite destination research conferences that promote contemporary research and scholarly inquiry. CSI's conferences are held in a variety of amazing locations to draw a diverse range of academic research and a distinctive community of learned contributors. Additionally, CSI publishes [peer-reviewed journals](#) which feature academically and scientifically meritorious research on a variety of germane education, business and behavioral sciences topics.
