

The Mobile Deployable Communications conference returns to Amsterdam next February

Organised by SMI Group, taking place on the 6th and 7th February 2014, Amsterdam

LONDON, UK, October 23, 2013

/EINPresswire.com/ -- The 7th annual [Mobile Deployable Communications](#) conference takes place next February in Amsterdam and will address key topics of CIS networks and tactical communications, C4ISR standardisation, interoperability across the global armed forces, operational experiences and future technologies.

Attendees will be able to discuss the issues faced by the industry, hear from the experts and keep up to date with the latest case studies and challenges at Mobile Deployable Communications 2014.

The early bird expires on the 31st October - To book a place and save £300 please [CLICK HERE](#).

Event highlights include:

- Hear the UK MOD most recent update on UK Land Environment Tactical CIS
- Join the discussion on EU militaries working towards a truly mobile communications system during an interactive panel discussion
- Learn about the Italian view point on Network Centric Warfare
- Listen to a focused energy supply presentation from the Ministry of Defence, Austria
- Hear how the challenges of SOA - based communications in the tactical domain will effect ongoing operations from the Polish Institute of Military Communications Institute
- Discuss the current withdrawal from Afghanistan

Expert speaker line-up includes:

A promotional poster for the Mobile Deployable Communications conference. At the top right is the SMI logo. The text reads: 'SMi presents the 7th annual... Mobile Deployable Communications'. Below this is a yellow horizontal line, followed by the dates '6th - 7th FEBRUARY 2014 | Amsterdam'. The bottom half of the poster features a silhouette of three satellite dishes of increasing size. At the very bottom, the website 'www.mobiledeployable.com' is displayed in white on a black background, with the text 'Mobile Deployable Communications' below it.

- Colonel Horst Treiblmaier, Chief of Communication, Ministry of Defence, Austria
- Colonel (BG-A) Krasimir Yordanov, IT & Security Branch Chief, CIS Directorate, EUMS, European External Action Service
- Lieutenant Colonel Nils Gaute Prestmo, CIS Task Group, Norwegian Armed Forces
- Aurel SABO, Deputy Commander of Mobile CIS Base, HQ Mobile CIS Base, Mobile CIS Base of Slovak Armed Forces
- WO2 (YofS) RM Stephen Scott MBE, COMUKAMPHIBFOR Yeoman of Signals, J6, Royal Marines
- Dr Kamran Arshad, Senior Lecturer in Communications, University of Greenwich
