

Stamford CT Ophthalmology Specializes in Surgical Eye Services Including Cosmetic Eye Surgery

STAMFORD, CT, USA, October 23, 2013 /EINPresswire.com/ -- Stamford Ophthalmology, LLC an eye center in Stamford, Connecticut, offers a variety of eye services and specializes in surgical eye services, including cosmetic eye surgery.

Stamford Ophthalmology, LLC , an [eye center in Stamford, CT](#), offers a variety of eye services and specializes in surgical eye services. These [Stamford eye doctors](#) are a group of highly trained and well qualified doctors who offer everything from routine eye exams to cosmetic eye surgery.

"At our eye center, you will always receive the high level of service you deserve. We offer gentle care that is personalized to accommodate your individual needs and concerns. In addition, our friendly staff is completely dedicated to serving you in a professional, comfortable environment," says Dr. Dan Landmann, eye center spokesperson.

One of the specialties at this extremely versatile vision center is cataracts. The center provides cataract screenings to anyone who visits the practice who may be having difficulty seeing in bright or dark environments. People who have cataracts often experience sensitive yes and a tendency to see washed-out or faded colors.

In addition to having staff cataract specialists, the office also provides vision services such as glaucoma screenings, which are most important as one in 250 of Stamford Ophthalmology's patients may show early signs of glaucoma after an initial exam; macular degeneration diagnosis and treatment, for which there is no definite cure but the ability to reduce blindness risk if caught early; procedures that deal with dry eyes that are known to be manageable with treatments that differ in their effectiveness; special attention for diabetic eye care; and repair and treatment for retinal detachment, which is a serious condition that may seriously affect a person's permanent vision.

Anyone concerned about changes in their vision should contact the eye center today at (203) 628-2126. Stamford Ophthalmology provides highly trained specialists Monday-Friday, beginning at 8 a.m. The eye center provides numerous vision services, including cosmetic eye surgery to patients in Stamford, Greenwich, Darien, Norwalk, New Canaan, Wilton, Fairfield, Weston and surrounding Connecticut areas.

About Stamford Ophthalmology
