

EaseUS Updates iOS Data Recovery Software for Full iPad Air and iPad Mini with Retina Compatibility

NEW YORK, NY, USA, October 25, 2013

/EINPresswire.com/ -- EaseUS Software announces its newly updated iOS data recovery utility, providing high efficiency in iOS photo recovery and full iPad Air and iPad mini with Retina compatibility.

EaseUS Software, the world's top-notch [data recovery solution provider](#) today, announces its newly updated iOS data recovery application - EaseUS MobiSaver 3.5 for both windows and Mac users. The latest iteration of the professional and comprehensive iOS data recovery software comes with new features and more powerful functions, providing high efficiency in iOS photo recovery and full compatibility for Apple's new released iPhone 5s/5c, iPad Air and iPad Mini with Retina.

EaseUS MobiSaver is a powerful and easy-to-use [iOS data recovery tool](#) which is designed to help iOS users to get back their lost data from iPhone/iPad/iPod touch. It supports to recover almost all kinds of iOS files including contacts, text messages, photos, notes, videos, call history and more in just 2 simple steps. Since the software is geared to the needs of numerous iOS users, it can be applied to either Mac or Windows system.

As Apple recently released its new operating system iOS 7 and a series of new devices, EaseUS Software has worked quickly to update its [iDevice-relevant product](#) to make the software fully support for all the new launched products.

"Apple fans always intending to replace their old devices with the latest version and experience the newest operating system, but according to our experience, in many situations, they may quite possible to encounter data loss or data transfer problem. So we try our best to update our software as soon as possible, hoping it can works well in iPad Air and iPad Mini with Retina data recovery." says Dirk Jan, the research and development manager of EaseUS. "We have at the same time improved the iOS data recovery software, making it more helpful and powerful in
