

Industry Wide Survey on E&P Information and Data Management launched by the SMi Group

Industry Survey on E&P Information& Data Management launched today with the purpose of preparing for E&P Information& Data Management conference(London, Feb'14)

LONDON, LONDON, UK, October 29, 2013 /EINPresswire.com/ -- SMi Group announces the launch of [Industry Wide Survey](#) on E&P Information and Data Management and invites industry professionals to take part in it. The [survey](#) launched with the purpose of preparing for the 16th Annual E&P Information and Data Management [Conference](#) taking place in London, UK, on the 12th-13th of February 2014.

A promotional banner for the SMi Group's 16th annual E&P Information and Data Management conference. The banner is divided into three horizontal sections. The top section is a solid blue bar with white text that reads "Europe's Leading Industry Event" and "SMi Group presents its 16th annual". The middle section is a light blue bar with the text "E&P Information and Data Management" in a large, blue, sans-serif font. The bottom section is a solid blue bar with white text that reads "12th-13th February 2014", "Millennium Gloucester Hotel", and "London, UK". In the bottom right corner of this section is the SMi logo, which consists of a stylized white arrow pointing right followed by the letters "SMi" in white.

The survey consists of 10 questions and will take less than 5 minutes to complete. All respondents will be put in the prize draw for 1 free delegate pass to the E&P Information and Data Management Conference, the rest of respondents will get a copy of the results and 10% discount to participate in the event. Closing date for the survey is November, 29, 2013. To take part please go to <https://www.surveymonkey.com/s/NGNBQCL>
To take part in the Survey go to <https://www.surveymonkey.com/s/NGNBQCL>

E&P Information and Data Management conference will take place in London, on the 12th-13th of February 2014. Registration for the event is now open. Event's website: <http://www.smi-online.co.uk/2014eandp9.asp>

Now in its 16th year, the 2014 conference will provide attendees with a complete update of the industry as it stands today. Focusing on data governance and ownership, cloud computing, knowledge transfers, data formats, big data and standards, this informative event will bring together key oil and gas companies to deliver presentations based on their experiences, problems and solutions.

This 4 day event will be a fantastic opportunity for companies within the industry to talk to leading experts, it will draw on its 15 years to bring together leading E&P data management professional representing all aspects of the industry. From Asia to Europe the diversity of speakers and delegates will give a broad spectrum of ideas, opinions, problems and solutions. This event promises to be a unique platform for networking and problem solving.

Top-Ranked Speaker Faculty includes leading experts from ExxonMobil, Shell, BG Group, Saudi Aramco, Dong E&P, Repsol SA, Kuwait Oil Co, Troika International and many others.

2 pre-conference and 2 post-conference workshops hosted by top-managers from Tribal, NDB, Troika International and International Association of Oil and Gas Producers
