

Mac Undelete Tool - EaseUS Data Recovery Wizard for Mac Free Now Makes Mac Undelete Possible

NEW YORK, USA, November 6, 2013 /EINPresswire.com/ -- Being enhanced with new algorithm which promotes the running speed and calculating efficiency, EaseUS Data Recovery Wizard for Mac Free makes undeleting Mac data not any more a torture but an easy and simple process.

EaseUS Software now leads a new round revolution in dealing with Mac data lost troubles with a newly advanced [free Mac undelete software](#) - EaseUS Data Recovery Wizard for Mac Free. Being enhanced with new algorithm which promotes the running speed and calculating efficiency, EaseUS Data Recovery Wizard for Mac Free makes undeleting Mac data not any more a torture but an easy and simple process. It's an 100% free and safe software which is particularly designed for Mac users.

Differentiating from the traditional recovering procedure, this newly upgraded version of free [Mac undelete software](#) - EaseUS Data Recovery Wizard for Mac Free makes a great change of the traditional recovering process that has changed into a straight method by directly scanning selected file types and volume, and displaying founded data for Mac users to undelete Mac data. According to this method, only three simple steps and free seconds are needed to operate the Mac data recovery process and no risks will be encountered. Without worrying about spending a big bunch of money, EaseUS Data Recovery Wizard for Mac Free enables Mac device users a totally free method to regain at least 2 GB data back for free. And the newly upgraded Mac data recovery software provides two straight recover modes - "Quick Scan" and "Deep Scan", if lost Mac data could not be founded by operating "Quick Scan", then "Deep Scan" will do and it will scan all formatted, inaccessible and hidden data in selected volume. Then it will display those data on the window for users to select wanted data and do Mac undelete recovery.

Instead of the original preview way, this promoted [Mac undelete tool](#) enhanced the traditional preview way, adding another two more previewing forms, which enables Mac users to check lost data more directly and conveniently. Being compatible with various kinds of storage media

EaseUS Data Recovery Wizard free for Mac makes Mac data recovery easy and safe.

including Mac devices, USB drives, memory sticks, SD card and other kinds of storage media, EaseUS Data Recovery Wizard for Mac Free supports the latest Mac OS X 10.9(Mavericks) and other Mac OS X such as Mac OS X 10.8 (Mountain Lion) & Mac OS X 10.7 (Lion) & 10.6 (Snow Leopard).

No hesitation is needed for downloading this Mac data recovery software while facing multiple data lost troubles on Mac devices. And all the lost data on Mac devices will all be recovered safely and easily. No obstacles or ricks will be encountered during the undeleting process and a high quality of founded data will be ensured by EaseUS Data Recovery Wizard for Mac Free.

Key Features:
