Cheryl Driskell, CEO at the [Canadian School of Naturotherapies](http://www.canadiannaturotherapies.com/) and Spiritual Development (CSNSD), knows that students invest thousands of hours and millions of dollars every year for quality personal and professional development, and the Canadian Naturotherapies School is proving that delivering science melded with spiritual and health awareness is a desirable, new and fascinating path for many.

The CSNSD trains individuals driven towards energy awareness, higher consciousness, health and wellness, willing to make sincere contributions to their community using their wisdom heart and mind. Ms. Driskell explains "We want to bring Naturotherapies into the everyday communities, so we are ensuring the high-quality education of our students to make this happen."

[Some of the online courses](#) offered by the CSNSD cover "Reiki Level I", "Intuitive Development Level I", "Energy Nutrition" to claim your healthy frequency, principles and practices of "Energy Therapies", and "Qi-Gong: Sounds and Emotions of the Organs" to clean the organs and release emotions, depression and anxiety. More and more courses are being created. Naturotherapy, Personal Growth and Spiritual Teacher's from around the World can also host their classes with us following a peer review.

And Ms. Driskell adds "Our community members are busy and needing training in time frames that suit their immediate needs... so online training is the welcome and supportive answer to the aware person seeking specialized Naturotherapy training." Online Certificate courses are available, which can be used later towards the Diploma of Registered Integrative Naturotherapist R.I.N.

The "Be in Your Heart" Training is [joining the school](#) online this December 11, 2013. For further information on the courses visit <http://www.canadiannaturopathies.com/>

About

The Canadian School of Naturopathies and Spiritual Development (CSNSD) was founded in 2013 by individuals with Naturopathy backgrounds who are dedicated to ensuring that the greater population have access to additional therapies that can be integrated with existing health practices to meet the demands of citizens seeking support in an already over-burdened health-care system. <http://www.canadiannaturopathies.com/>
