

# Medical equipment supplier's sales network expands globally

*With over 40 years of experience in the wholesale medical equipment, Sarah Medic's, competitively priced specialised healthcare products are expanding globally.*

JAKARTA, DKI JAKARTA, INDONESIA, November 14, 2013 /EINPresswire.com/ -- With over 40

years of experience in the wholesale medical equipment and supply business, Sarah Medic's, competitively priced specialised healthcare products for hospitals, universities, medical clinics and government facilities, are expanding globally.

“

‘With over 1000 discounted products, is taking advantage of the huge savings. We can match prices or often do better and each product comes with our commitment to service and maintenance’

*Mr Shine*

Based in Jakarta and Singapore, the business specialises in mobility equipment such as wheelchairs, endoscope and [ultrasound machines](#), cardiac defibrillators, mobile ECG's, [dental](#) equipment as well as EMS data management solutions.

President and CEO of Sarah Medic, Clara Shine says ‘We are expanding our market rapidly and expect to distribute beyond 80 countries in the very near future. Our revenue forecast for this year is anticipated to reach US\$10 million.

‘With over 1000 discounted products the healthcare industry universally is taking advantage of the huge savings they make when they purchase our top quality healthcare equipment. We can match prices or often do better and each product comes with our commitment to service and maintenance’ concluded Mr Shine.

Medical equipment comes with a guarantee ranging from 2 to 5 years, and FDA or CE certification where appropriate. Delivery, installation, training and maintenance are provided nationally and internationally.

Highest quality products from manufacturers such as Siemens, Olympus and Zoll Medical Equipment are available online at [www.sarahmedic.com](http://www.sarahmedic.com) at cost effective prices.

Supplying to a global market, Sarah Medic is able to customise medical, dental, and surgical equipment to meet various regulations and requirements.

According to Kathleen Doheny of Medical Clinics, New York, 'Sarah Medic has a wide selection of equipment to choose from coupled with product knowledge, attentive service and low prices as advertised. I intend to buy more Physio-Control Lifepak Defibrillators from them in the near future'.

About Sarah Medic: Sarah Medic is a wholesale medical equipment and medical supply company based in Asia, and incorporated in Indonesia in 2000. Sarah Medic Centres are in Jakarta and Singapore with a manufacturing area covering 32,000 squares. Product lines range over 13 categories including cosmetic, dental, endoscopy, imaging, laboratory, [ophthalmology](#), surgical and veterinary. Sarah Medic is committed to safe and secure online shopping with customer service representatives available during standard business hours.

About President and CEO Clara Shine: Clara Shine has held several global leadership positions since joining Sarah Medic in 1998 including roles in Sarah Medic's Plastics, Appliances and Healthcare businesses. In 2001 he joined the Sarah Medic Capital Board and 2004 appointed President and CEO.
