

Premium Vapes Offers BOGO Special on Starter Kits

Discount offer of buy-one-get-one-free on electronic cigarette starter kits is available for a limited time through November 30, 2013.

VIRGINIA BEACH, VA, USA, November 26, 2013 /EINPresswire.com/ -- [Premium Vapes](#), a leading electronic cigarette brand, has announced a special offer available online from Wednesday, Nov. 27 through Sunday, Nov. 30, 2013 at midnight. All starter kits will be buy-one-get-one-free.

"The BOGO discount is our way of showing appreciation to our customers," said Paige Koontz, director of online communications for Premium Vapes. "A lot of people will be spending time during the upcoming holidays with friends and family who are sensitive to cigarette smoke or don't like the smell. Our vapor cigarette kits provide a different experience for those seeking an alternative."

Premium Vapes offers eight types of starter kits. Each contains a premium battery, a charger, an owner's manual, and a choice of flavor and strength for refill cartridges, or cartomizers. An array of [e-cigarette starter kits](#) are designed for different lifestyles, from Pocket Kits with a carrying case to models with longer-lasting batteries for heavier smokers.

The discount is available for a limited time on the company's website (<http://www.premiumecigarette.com/>) with no special promotional code or coupon needed. To receive the special offer, customers can simply add a starter kit to their shopping cart, where a second identical starter kit will be automatically included at no additional charge before checkout.

About Premium Vapes:

Premium Vapes provides electronic cigarettes, custom battery kits and accessories for customers in the U.S. and Europe. The company is based in Virginia Beach, Virginia, and offers a complete line of electronic cigarette systems, including a wide range of flavored cartridges, pipes, and custom design options for batteries, carrying cases and accessories. Custom batteries are available in a multitude of patterns and colors. Premium Vapes is a member of the Tobacco Vapor Electronic Cigarette Association (TVECA) and regularly tests its cartridges in an FDA-certified chemical laboratory.
