EINPresswire.com/ -- Perth home builders [Summit Homes](#)' invites homebuyers who want to come home to a retreat at the end of the day to visit [The Aloha](#) display homes in Piara Waters and Vasse Newtown. The four bedroom, 2 bathroom home design is an entertainer's dream with the kitchen, dining and living rooms providing direct access to a large alfresco.

The Aloha is available from Summit Homes as a house and land package in Perth suburbs and the metro area.

The one-storey luxury house plans of the Aloha indicate a separation of functions with the public areas grouped to the rear of the home and the sleeping areas located near the front. Three smaller bedrooms are grouped away from the master suite and are complemented by an activity room that gives children their own area, away from the adults. The spacious master bedroom features an ensuite and is located across the entryway from the minor bedrooms.
