"There is no easier way to purchase a home than through our Easy Solution program. Easystart Homes takes care of everything for the buyer from assisting with securing financing and grants to lot selection, building design and construction, even paying stamp duty. These all-in-one

services eliminate much of the frustration that first home buyers often feel when they must deal with separate builders and financing companies. Of course, needing only \$3000 for the deposit is a huge stress relief too," said Sandra Muller of Easystart Homes (www.easystarthomes.com.au).

Easystart Homes offers nearly 30 [unique home designs](#) available as home & land packages or off the plan homes. The Display Range and Easy Range lines of home designs make it easy for buyers of any size budget to find the perfect home. Each Easystart home comes with follow-up service and Summit Homes Groups' 25 year structural guarantee.

"We see so many buyers who would have no trouble making their monthly home loan payment but just can't save up the typical 20% deposit that so many of today's home loans require. The Easy Solution \$3000 deposit program is ideal for those buyers who just need a little help getting the deposit taken care of. The Keystart Home Loan team is great at looking at every option available to find the best home loan terms for individual buyers. Buyers are certain to get the best deal possible through Keystart," said Muller.
