

WholesaleHats.com Partners With Outdoor Recreation Leadership Program, Providing Hats To Students

WholesaleHats.com is a new sponsor of Feather River College's Outdoor Recreation Leadership Program.

PALM DESERT, CA, USA, December 10, 2013

/EINPresswire.com/ -- [WholesaleHats.com](http://www.wholesalehats.com) has added a new nonprofit partner to its growing list of hat sponsorships (<http://www.wholesalehats.com/Hat-Sponsor-Program>). This time, the partner is the Outdoor Recreation Leadership Program at Feather River College, located near Quincy, California. The wholesale hat embroidery and screen printing company has donated a shipment of baseball caps to the College, which will be used by the Outdoor Recreation Leadership program participants.

"At WholesaleHats.com, we believe in the efforts of nonprofit organizations and want to help them in any way that we can. Since we run a wholesale hat and embroidery business, donating hats to support program participants makes the most sense. Hats are great teambuilders and they're particularly useful for programs like the Outdoor Recreation Leadership Program where students are outside for hours at a time in all kinds of weather conditions," said [Brian Burr](http://www.wholesalehats.com) of WholesaleHats.com (<http://www.wholesalehats.com/>).

The wholesale hat company provided custom embroidered headwear and special nonprofit pricing to the school.

As part of WholesaleHats.com's "Hat Sponsor Program," qualified 501c3 organizations receive 100 dozen pricing for every 36 piece minimum order placed. As an added bonus, nonprofit organizations are able to maintain this pricing on all future orders simply by including a mention of WholesaleHats.com's donation and a link back to the WholesaleHats.com website on their own website.

The cost savings of this special pricing structure is substantial. As an example, 36 straw [Fedoras](http://www.wholesalehats.com/Fedora-Hats) (<http://www.wholesalehats.com/Fedora-Hats>) at WholesaleHats.com sell for \$8.04 each with the

company's regular pricing structure. As a nonprofit partner, those same hats are available at 100 dozen pricing which is \$7.28 per hat, saving the nonprofit organization \$0.76 per hat.

The Outdoor Recreation Leadership Program at Feather River College is designed to teach students through hands-on experience the theory, practical application and technical skills needed to teach and lead outdoor education and adventure activities. Students who complete the 2-year program earn an Associates Degree in Outdoor Recreation Leadership and typically end up working in the outdoor recreation field or pursue additional education at a four-year university. During the program, students are immersed in outdoor activities in the 1.2 million acre Plumas National Forest, which surrounds Feather River College.

Other nonprofits that have benefitted from WholesaleHats.com's Hat Sponsorship Program are Camp Milagros of the Northern California Chapter of the Arthritis Foundation's Juvenile Arthritis program and the Coachella Valley Rescue Mission.

WholesaleHats.com has been providing factory-direct, wholesale pricing on hats since 1979. The Palm Desert-based company has a huge selection of hats, caps and accessories to choose from with custom embroidery and patches also available.
