

# 5 Star Auto Plaza Announces Expansion Into A New Location

ST CHARLES, MO, USA, December 11, 2013

[/EINPresswire.com/](#) -- [5 Star Auto Plaza](#) has moved into a new location at 3690 West Clay Street in St Charles, MO. Customers can browse their inventory, test drive vehicles, and meet in person with their experienced staff at their new location.

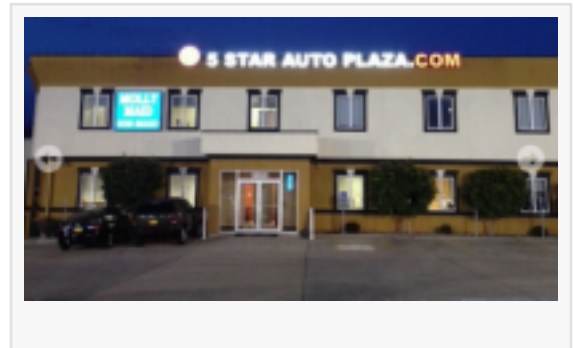

Since 1997, 5 Star Auto Plaza has been a leader in selling [St Charles used cars](#). Each car for sale is emissions tested and passed the Missouri state safety test. For peace of mind, 5 Star Auto Plaza also offers a free warranty with every vehicle sold. If they don't have a vehicle in their inventory, car buyers can fill out their car finder form, so that their professional staff can keep a lookout for the car they are looking for.

5 Star Auto Plaza also has financing options to meet the needs of every buyer. They have a large network of lenders, and are able to offer rates as low as 2.86%. For buyers that have trouble getting approval from external financiers, they have a "Buy here, pay here" program that's open to all. With this program, car buyers are financed internally, by 5 Star Auto Plaza, and are guaranteed approval.

5 Star Auto Plaza will also purchase vehicles. Their new website allows car sellers to fill in basic information about the vehicle, and they will work to get car sellers as much money back as possible. The money can be used toward the purchase of any vehicle from their inventory. They also offer different specials every week, ranging from gas certificates, to financing specials, to cars highlighted for sale.

5 Star Auto Plaza is a leader among St. Louis area dealerships. They look forward to continue being the [St Charles auto dealership](#) of choice with their new location and a new website. They can be reached by phone at 636-724-2610. To find out what others are saying about 5 Star, check out [5 Star Auto Plaza Reviews](#).

About 5 Star Auto Plaza: Since 1997, 5 Star Auto Plaza has worked hard to make their reputation a strong one within the community and with their customers.
