

# Global 7 Technologies Announces Partnership with LexSpan Legal

*LexSpan Legal utilizing Global Discovery Network as part of its Spanish-language eDiscovery services*

CLEVELAND, OHIO, USA, December 16, 2013

/EINPresswire.com/ -- Global 7 Technologies, the makers of [Global Discovery Network](#), a secure cloud-based virtual data room that is used for the storage, collaboration, distribution and review of documents, today announces a partnership with LexSpan Legal ( [www.lexspanlegal.com](http://www.lexspanlegal.com) ), the market-leading innovator of Spanish-language [eDiscovery](#).

Global Discovery Network from Global 7 Technologies

Through this partnership, LexSpan Legal will have the ability to offer Global Discovery Network to clients as part of its Spanish-language document review services including:

- \* Global Server Network (Asia, Europe, North America and South America)
- \* Robust Data Preview, Processing and Management Functionality
- \* Intuitive User Interfaces
- \* Innovative Platforms
- \* Straightforward Pricing Models

"We are pleased to bring LexSpan Legal into our Channel Partner Program," stated Brad Mixner, CEO of Global 7 Technologies. "They have a great offering and the addition of our technology to their services really is a great fit."

"This is a great partnership for us," stated Eyal Rosenstock, Esq., founder and CEO of LexSpan Legal. "We enable clients to quickly staff their [Spanish reviews](#) with teams that are 100 percent native-level Spanish and 100 percent U.S.-licensed. The unique benefits to our clients will include greater cost control, faster review and greater accuracy – all-in-all, a higher quality solution for less legal spend. Having Global Discovery Network as part of our service offerings allows us to bring additional technology, and more functionality and choice to our clients."

More information on the Global 7 Technologies channel partner program can be found at <http://www.global7technologies.com/company/partners/global-partner-network> .

Global Discovery Network is intended for use by document-intensive industries such as legal and financial sectors for a wide range of activities, ranging from evidence review in litigation, due diligence review in merger and acquisitions, loan syndications, or private equity and venture capital transactions. By hosting documents in an online environment, geography and time are no longer an impediment as users around the world have 24/7 access to documents in a secure and auditable environment.

#### About Global Discovery Network

The Global Discovery Network is a secure cloud platform designed for the global legal industry that enables the easy review and management of electronic business data typically associated with litigation, arbitration, investigations and compliance. Designed by Global 7 Technologies ( [www.global7technologies.com](http://www.global7technologies.com) ) to achieve strength through simplicity, Global Discovery Network features a clean web interface that enables quick learning for new users and smooth navigation for power users. There is no software to support, no long waits for the data shipping/processing cycle and no complicated pricing schemes.

#### About Global 7 Technologies

Global 7 Technologies LLC (G7T) is a technology company built on a foundation of deep industry experience and driven by a passion for innovative excellence. Their flagship product, Global Discovery Network (GDN), is a secure cloud platform designed for the global legal industry that enables the easy preview of electronic business data typically associated with litigation, arbitration and investigations. G7T maintains its global headquarters in suburban Cleveland.
