

# Whiddon Advances to Partner in Accounting Firm Restructuring

DALLAS, TX, USA, December 17, 2013 /EINPresswire.com/ -- Colleyville, Texas-based certified public [accounting firm](#) Mcllvain & Associates LLC has restructured to provide a wider range of [CPA](#) services for clients and more defined career paths for associates. Five-year associate Tasha Whiddon, CPA has advanced to partner.

Certified public accounting firm Mcllvain & Associates LLC has completed a structural reorganization to offer expanded services to its clients and provide more upward mobility for its staff. As part of the restructuring, Tasha Whiddon moves up to join Kelli Strube and founder Sandy Mcllvain as a partner in the firm.

Whiddon has corporate accounting experience in manufacturing and real estate, as well as public accounting experience. Her most recent accomplishment is the completion of an extensive project that ensures the firm and each of its clients are in compliance with a large number of new laws. She holds a Bachelor of Business Science – Accounting degree from Wichita State University and a Master of Business Administration degree from Southwest Missouri State University. Whiddon joined Mcllvain & Associates LLC in 2008.

Mcllvain said that accelerated growth has made it essential to expand CPA services to accommodate the needs of small-to-medium-size businesses and high net worth individuals.

“From the outset 25 years ago we have built this firm by delivering incredible client service,” Mcllvain said. “As our clients’ needs have expanded we have added people with a wider range of skills to help clients grow their businesses and provide [tax](#) planning for more complex issues. We undertook this reorganization to position our accounting firm for further growth and provide better defined career paths for our associates.”

Mcllvain anticipates adding an additional CPA and other staff positions in 2014 as the firm continues to increase its service offerings.
