UMAN, CHERKASY, UKRAINE, December 20, 2013 /EINPresswire.com/ -- RealTours Company has been already known as a tour operator involved in agricultural tourism, offering destinations which have been unknown beforehand – Ukraine, Russia and Georgia.

In a new season we'd like to appear in a bit new role offering a combination of gourmet tour and authentic experience in the Ukrainian Carpathians. Starting in quite European Lviv, you go high to the mountains where the sound of trembita (Guzul pipe) breaks the picturesque mountain valley of the Carpathians. The trip takes participants through charming Ivano-Frankivsk, Yaremche – a land of "Ukrainian Robin Hood", Kosiv – a center of the Transcarpathian handicraft, area of picturesque sceneries – Vorokhta. These are the places where people still live the way their ancestors used to, where food come from the field outside of the house and horse carriage is at times more convenient transport.

The gourmet note of the trip allows being treated by delicious Guzul dishes with home-made wine tasting served at the traditional kolybas. Following meeting with the locals, participants are involved in the master classes on Guzul dancing, weaving, drymba playing, painting of Easter eggs, making cheese horses to feel a part of Ukrainian culture and traditions.
