Join US Army, Cisco, Austrian MoD and DE&S at Mobile Deployable Communications conference

Organised by SMi Group, taking place on the 6th and 7th February 2014, Amsterdam

LONDON, UK, January 7, 2014 /EINPresswire.com/ -- NEW SPONSOR: Cisco Systems joins MDC 2014

Mobile Deployable Communications 2014 will feature leading communications experts, government officials, key military representatives and industry leaders from across Europe and the US.

SMi are delighted to announce Cisco has joined the speaker line-up on day 2 of the conference. Do not miss the chance to hear their presentation on: Transforming Military Mobile Deployed Communications. The presentation will be led by David Lawford Mee, Business Development Manager, Defence - Europe, Middle East, Africa & Russia and Edwin Tromp, Vertical Solutions Architect both from Cisco Systems. Further presentation details will be released shortly. Click here for an event update.

Mobile Deployable Communications
