

Exploring Novel Perspectives on Clinical Cardiology and Cardiac Surgery

4th International Conference on Clinical & Experimental Cardiology (Cardiology-2014), during April 14-16, 2014 at Hilton San Antonio Airport, USA

LOS ANGELES, CA, USA, January 9, 2014 /EINPresswire.com/ -- Cardiology is a medical specialty that deals with the disorders in the heart in living beings and Clinical Cardiology refers to laboratory research involved in diagnosis, medication and surgery of cardiovascular cases.

3rd International Conference on Clinical & Experimental Cardiology held during April 15-17, 2013 Hilton Chicago/Northbrook, USA

Cardiovascular Disease (CVD) is the major cause of death across the globe annually. An estimated 17.3 million have died worldwide in 2009 as per the WHO estimations, accounting for 30% of global deaths. Over 80% of these deaths are taking place in the low and the middle income countries and most cardiovascular cases can be prevented if the risk factors are properly addressed.

[OMICS Group International](#) Conference on 'Clinical and Experimental cardiology' aims to explore the 'Novel Perspectives on Clinical Cardiology and Cardiac Surgery' through its 4th International Conference on Clinical & Experimental Cardiology, during April 14-16, 2014 at Hilton San Antonio Airport, USA.

Eminent speakers lined up for Cardiology-2014 include

- Bradley Field Bale, Bale/Doneen Method, USA
- Richard J. Frink, Heart Research Foundation of Sacramento, USA
- Karlheinz Seidl, Heart Center Ludwigshafen, Germany
- Louis Samuels, Thomas Jefferson University School of Medicine, USA
- Jose Antonio F. Ramires, University of São Paulo, Brazil
- Ewa Szczepanska-Sadowska, Medical University of Warsaw, Poland
- Yochai Birnbaum, Baylor College of Medicine, USA
- Anastasia Susie Mihailidou, Royal North Shore Hospital, Australia
- Svetlana Gorokhova, I.M. Sechenov First Moscow State Medical University, Russia
- Miguel Angel Maluf, Universidade Federal de Sao Paulo, Brazil
- Abdullah S. Alhomida, King Saud University, Saudi Arabia
- Basar Sareyyupoglu, Texas A&M University, USA
- Hitoshi Hirose, Thomas Jefferson University, USA
- Arthur T. Martella, Our Lady of Lourdes Medical Center, USA
