

The Retail Outsource Companies CEO Brett Beveridge named Entrepreneur of the Month by CIO REVIEW

CORAL GABLES, FL, USA, January 17, 2014
/EINPresswire.com/ -- Brett Beveridge, CEO & Founder of [The Retail Outsource Companies](#), and CEO & Founder of [SYMBITS](#), the world's best-in-class IT Managed Support company, is named retail technology special "Entrepreneur of the Month" in the December 2013 issue of CIO Review Magazine.

Brett Beveridge, CEO & Founder of The Retail Outsource Companies, and CEO & Founder of SYMBITS, the world's best-in-class IT Managed Support company, is named retail technology special "Entrepreneur of the Month" in the December 2013 issue of CIO Review Magazine and on CIOREVIEW.com.

"SYMBITS is an outsourced IT firm that helps companies support and manage all the technology in their stores nationwide, performing 24/7/365 monitoring and remote help desk support of their POS and PC systems. In seconds, SYMBITS can proactively solve 90% of all IT related problems remotely from their NOC in Miami, FL" Brett Beveridge, Founder and CEO, SYMBITS.

CIO REVIEW is a flagship publication delivering breaking news to movers and shakers within the IT Industry. Leading CIOs, technology entrepreneurs and innovators form the worldwide readership with verified circulation of 25,000 print copies distributed worldwide.

The readership profile of CIO REVIEW and [cioreview.com](#) includes CIOs, CTOs, VP IT, Director IT, Supply chain heads and other IT heads of retail companies in the United States and around the world.

SYMBITS is one of The Retail Outsource Companies and is also considered by [CIO OUTLOOK](#) 2013 as one of the 20 most promising IT Service Companies. Retailers across the US can dramatically optimize retail store operations with SYMBITS nationwide networks.

In his CIO Review interview, Beveridge explains that the mission of the SYMBITS army is to protect clients' internal data from cyber-attacks. "SYMBITS depends on over 12,000 trained technicians across the country who can fix any IT related issues quickly and efficiently, usually in a matter of hours."

About Us: The Retail Outsource Companies (T-ROC) specializes in building high performance sales/support teams for retail and institutional projects. They also staff and successfully manage retail stores on behalf of their clients. T-ROC and its affiliates provide total sales operation solutions. The Retail Outsource Companies include Mobile Insight - real-time field reporting and business intelligence, The Consumer Insight - full-service customer experience analysis, and SYMBITS - managed IT services. Working in synergy, these four companies form a complete

ecosystem: running, managing, and maximizing the productivity of retail business efforts.
