

Rhin-O-Tuff To Attend IPEX 2014 In London, March 24-29

Rhin-O-Tuff, a company that provides customers with heavy duty table top binding machines is headed to IPEX 2014.

BOISE, ID, USA, January 19, 2014 /EINPresswire.com/ -- Rhin-O-Tuff, a company that produces a number of different paper punch and wire, comb and plastic spiral binding machines is preparing to attend IPEX 2014 in March, an industry trade show that covers the complete digital production cycle. IPEX 2014 takes place March 24-29, 2014 at ExCel, London Exhibition and Convention Centre in London, UK.

Visitors can find Rhin-O-Tuff's binding equipment in the Convention Centre in booth N3-C270. The company will have its ONYX Series on display and representatives will be on hand to speak with the nearly 50,000 attendees who are expected to attend.

"We're very excited to attend IPEX 2014. Suppliers and customers from all over the world will be in attendance to learn more about their options when it comes to commercial and digital printers. Our ONYX series will fit right in and we can't wait to show visitors why the Rhin-O-Tuff ONYX series won the Reader's Choice Award from Quick Printing Magazine for the top Binding and Bookletmakers Equipment in 2013 as selected by the nearly 53,000 printers and other professional subscribers," said John Lugviel, Vice President of Business Development at Rhin-O-Tuff (<http://www.rhin-o-tuff.com/>).

“

If you're looking for the ideal solution for your company's binding needs and you're going to be in London, we'd like to invite you to stop by our booth (N3-C270) at IPEX 2014.”

John Lugviel

Although they're some of the best known, the ONYX series binding machines aren't the only products available from Rhin-O-Tuff. The company offers an entire line of equipment in the [Rhin-O-Tuff product catalog](#), which ensures that customers can find the exact product that fits their needs. Rhin-O-Tuff's network of authorized dealers

and distributor partners can help customers decide which model is the right one, and many even

The trade show takes place March 24-29, 2014 at ExCel, London Exhibition and Convention Centre in London, United Kingdom.

allow customers to rent equipment before purchasing.

At their booth N3-C270 Rhin-O-Tuff will have three unique solution centers for today's changing finishing solutions: 1) OFFICE PRINT FINISHING SOLUTIONS, 2) COMMERCIAL FINISHING and 3) DIGITAL PRINTING SOLUTIONS all of which their heavy duty table top solutions will be demonstrated.

"If you're looking for the ideal solution for your company's binding needs and you're going to be in London, we'd like to invite you to stop by our booth (N3-C270) at IPEX 2014. However, if you're not lucky enough to travel to the UK, connect with us online or by phone and we can help you find the binding equipment that perfectly fits your needs. We have something for everyone, whether you only need binding equipment for the occasional project or you plan to use it every day," said Lugviel.

Working with Rhin-O-Tuff at IPEX 2014 will be Perfect Document Creation (PDC) a long time partner of Rhin-O-Tuff in the UK. PDC will be offering local binding expertise and supplies as well as Rhin-O-Tuff solutions and support. Learn more about PDC on their website <http://www.pdcuk.com/>.
