MIAMI, FL, USA, January 20, 2014 /EINPresswire.com/ -- [The Addictions Coach](#) and its sister company, [The Addictions Academy](#), are offering a 3 Day Intensive Certification Course in Recovery Coaching and Intervention at Solutions Recovery Inc, in February to provide CEU's for professionals and set standards in the industry.

The Addiction Academy's Recovery Coaching and Intervention Certification 3 day Intensive meets all state and federal requirements and is backed by NAADAC and CAADAC for 21 CEUs. The course will teach professionals how to provide proper Recovery Coaching and Intervention services that incorporate HIPPA and legal requirements.

"We are pleased to announce that Solutions Recovery Inc will be hosting us to offer our 3 day Intensive program," [Cali Estes](#), owner of The Addictions Academy said. "Our 3 day Intensive program will give you all the skills needed to add Recovery or Sober Coaching and Intervention to your practice or start your own company."

The Addictions Academy is the only evidence based best practices model that is National in nature and meets all state requirements by reciprocity. The National Association for Alcoholism and Drug Abuse Counselors (NAADAC) has approved The Addictions Academy as an Educational Provider for both courses. California's Association for Alcohol and Drug Abuse Counselors (CAADAC) has approved The Addictions Academy for both courses and the coveted ISE Endorsement which meets the 40 hour CEU requirement in all states.

"I love teaching the courses," Cali Estes said. We make it fun and engaging and deliver all of the necessary materials in an experiential way that includes the auditory, visual and hand on means of learning. We also do not subscribe to one style of Intervention or Coaching and offer our students plenty of options to use when dealing with their clients in a professional setting."
