

Prof. Gilberto De Nucci from University of Sao Paulo to attend Advances and Progress in Drug Design Summit

SMi Group Ltd are pleased to welcome Prof. Gilberto De Nucci from University of Sao Paulo onto the 13th annual conference, Advances and Progress in Drug Design.

LONDON, LONDON, UNITED KINGDOM, January 21, 2014 /EINPresswire.com/ -- Dr. De Nucci is a member of the Brazilian Academy of Medicine and one of the most highly cited biomedical scientists in the world, according to the Institute for Scientific Information. He has a prolific output, with more than 200 papers published in international peer-reviewed journals.

Professor Nucci will be joined by key industry experts and leading pioneers from across the world to discuss, debate and share ideas and challenges facing the drug design arena.

Advances and Progress in Drug Design has been a premier event in its field for more than a decade and will feature a truly global audience from; Brazil, Denmark, Finland, France, Germany, Greece, Hungary, Kuwait, Netherlands, Sweden, Switzerland, United Kingdom and USA.

“

The Advances And Progress in Drug Design conference deals with the latest ideas and developments in tackling important and difficult targets for medical intervention”

Dr Neil Press, Novartis

Key Speakers will include:

- Huafeng Xu, Computational Chemist, D. E. Shaw Research
- John Mathias, Head of Medicinal Chemistry - Inflammation & Remodelling, Pfizer
- Harald Mauser, Computational Medicinal Chemist, Molecular Design and Chemical Biology, Roche
- Sudharsan Sridharan, Scientist, MedImmune
- Tom Heightman, Senior Director, Astex Pharmaceuticals

- Amaury Ernesto Fernandez-Montalvan, Lab Head, High Throughput Screening, Bayer

HealthCare Pharmaceuticals

- Karl-Heinz Baringhaus, Site Director, R&D Frankfurt, Sanofi-Aventis
- Dr Neil Press, Director, Novartis
- Andrea Bortolato, Senior Computational Chemistry, Heptares Therapeutics
- Paul Brennan, Group Head/PI, Nuffield Department of Medicine
