

Thames Valley Catering Announces Exclusive Offer on Lincat AutoFill Water Boilers

Thames Valley Catering is currently running an exclusive sale on a selection of their Lincat AutoFill Water Boilers with the offer expecting to end soon.

OXFORDSHIRE, UK, January 22, 2014 /EINPresswire.com/ -- Thames Valley Catering is currently running an exclusive sale on a selection of their Lincat AutoFill Water Boilers with the offer expecting to end soon. The two water boilers that are available at this special reduced price is the Lincat EB3F Automatic Fill Water Boiler reduced from £387.60 to £323.00 and the Lincat EB6F Automatic Fill Water Boiler reduced from £499.20 to just £416.00.

The [Lincat EB3F Auto Fill Water Boiler](#) has a built-in filtration system to help ensure premium quality water and a standard to reduced scale build up, offering customers a clean and quick outcome producing 31 litres per hour.

Alternatively, the [Lincat EB6F Auto Fill Water Boiler](#) produces a staggering 60 litres of water per hour, being manufactured to a high standard, combining style, reliability, functionality and affordability.

Thames Valley Catering and Lincat have joint together to offer customers a real taste of quality with a highly advanced filtration system to produced not only great tasting drinks but great looking ones, too.

The two machines that are on offer have excellent responsive electronic control systems which are designed to put customers at ease. The controls are built to maintain water temperature within the very closest of tolerances meaning the water is always held at the correct 'near boiling point' optimum temperature. The advanced LCD panels will keep customers informed of the boiler's status at all times and advising you of the water heating when in progress, before meeting optimum temperature.

Another exciting feature of the Lincat EB6F model is the convenient push-button which they both employ. The models are designed with an extremely safe and time keeping push button dispenses mechanism. The models are ideal for self-service tasks that require a progressive and

constant flow of filtered, high quality standard hot water.

The Lincat EB3F Automatic Fill Water Boiler and Lincat EB6F Automatic Fill Water Boiler are just two a wide range of boilers available online. The current range consists of 5 counter top models and 2 wall mounted units from just £310.00. The ability to make tea, coffee and other beverages quickly, economically and beneficially is essential in catering establishing's and thanks to Thames Valley Catering this can happen. All Lincat auto fill [water boilers on the site](#) are supplied with 2 years parts and labour warranty as standard.
