

CanadaQBank Launches New Microsoft App for the MCCQE Part 2

CanadaQBank announces the new Microsoft App for the MCCQE from CanadaQBank.

FARMINGTON HILLS, MI, USA, January 27, 2014 /EINPresswire.com/ -- [CanadaQBank](#) announces the release of its new Microsoft Application, the MCCQE. The application offers a simulation of the MCCQE Part 2 Test.

Several features are available from the new study guide application. Students may access 143 classic simulated cases from the MCCQE, specifically from part 2 of the exam. There are 71 different station cases consisting of 10 minutes each, ensuring that students study a wide variety of test possibilities. Clinical encounters, a key component of the exam and any medical program, are also included in the test prep app.

To [download the test prep application](#) from CanadaQBank, users must subscribe to the website after registering. Once subscribed, they may use the free application along with thousands of other students and doctors across the globe. Students are also able to compare their scores with their peers and receive feedback on test results.

Medical students can download the free application to access [MCCQE Part 2 prep questions](#) and prepare for the actual exam from their Windows Surface App. Available in English, the application is supported by x86, x64, and ARM processors.

Individuals who wish to learn more about CanadaQBank, the services the companies offer and its free application can find out more information by visiting the company's website and signing up for updates at <http://www.CanadaQBank.com>.

CanadaQBank is a leading online test preparation website that provides services for students and physicians in the United States and Canada. The company offers test prep help for students applying for the Medical Council of Canada as well as the United States medical licensing exams. They are known for accurate, expert sample question generation and study guides that are used

by thousands of individuals globally.
