

American Dream, New Album By Travis Marsh, Featured In 56th Annual Grammy Awards Swag Bags

Guests at the Clear Channel gift lounge were treated to copies of the Nashville-based songwriter's highly anticipated sophomore release.

LOS ANGELES, CA, USA, January 28, 2014

/EINPresswire.com/ -- Grammy weekend is packed with parties, concerts honoring music legends and, for many of the music industry's biggest stars, free merchandise. At most events, complementary "swag bags" filled with promotional items and coupons from some of the biggest names in fashion, jewelry and electronics are handed out to attendees.

This year the gift bags at the Clear Channel KIIS FM Gifting Suite celebrating the 56th annual Grammy Awards have a special musical treat inside. "[American Dream](#)", the sophomore album from songwriter [Travis Marsh](#) will be included among the other valuable merchandise.

American Dream by Travis Marsh was included with this year's Grammy Awards swag bags.

"This album is going to be a pretty great listen. Country tracks, rock songs, ballads, and also some intimate acoustic. Overall the album sits in a pretty modern country lane with some rock elements. Travis definitely has the singer-songwriter feel," said Grammy-nominated "American Dream" [producer Jamie Candiloro](#). Some of Candiloro's previous work includes projects with artists like Ryan Adams, REM, The Eagles and Willie Nelson.

Written by Marsh over the last year, "American Dream" is a broadly-influenced Alt-Country record that incorporates Marsh's varied musical taste to tell stories taken directly

from his own life, but in a way that's as relatable as it is personal.

"The music on the album is basically the trials and victories of everyday life," Marsh commented. "The goal for me is to make a compilation of good music and hope the people like it and can relate. Honestly, I'm chasing my own American Dream every day."

"American Dream" is now available on iTunes (<http://bit.ly/1fLIQc>) and Amazon Music (<http://amzn.to/1hx2bT8>).
