

Global EDD Group Continues Expansion of Flat Rate eDiscovery Services Program

CLEVELAND, OHIO, USA, January 30, 2014

/EINPresswire.com/ -- Innovative Suite of [Electronic Discovery](#) Services new options include Mobile Apps and hosting from Data Centers in Brazil, Ireland, Japan, Singapore and the United States

Global EDD Group (www.globaleddgroup.com), a leading provider of innovative electronic discovery services across the globe, today announced an additional expansion to its flat rate [eDiscovery](#) service program with the integration of Global Discovery Network (www.SimplifyingEDiscovery.com) to its bundled suite of electronic discovery services.

Global EDD Group has bundled a complete suite of electronic discovery services under simple flat rates that are budget friendly for matters of all sizes. We able to offer so many services at such a competitive price by designing our Flat Rate eDiscovery Services with a structure that leverages the amazing efficiency of Amazon Web Services and the innovative platforms of our technology partners. This model allow us the flexibility to provide our flat rate pricing while maintaining high levels of quality, performance and security.

Global Discovery Network is a secure cloud platform, designed for the global legal industry, which enables the easy review and management of paper and electronic business data typically associated with [litigation](#), arbitration, investigations and compliance.

The integration of Global Discovery Network includes the following options:

- * Mobile Apps for iPhone, iPad and Android Devices
- * Drag-n-Drop Data Uploads
- * Dynamic Foldering
- * Global Server Network (Brazil, Ireland, Japan, Singapore, United States)
- * Clean Interface

"The Global Discovery Network platform interacts well with our other technology platforms," noted Ryan Gregg, vice president of Global EDD Group. "This allows us to provide our clients with custom flat rate solutions that fit their needs, while also being price predicable."

Global EDD Group executives will be available during LegalTech New York (www.legaltechshow.com) to show the suite of flat rate eDiscovery services in a demo environment. If interested in setting up an appointment, contact Ryan Gregg at ryan.gregg@globaledd.com or +1.888.690.3282 x808.

About Global Discovery Network

The Global Discovery Network (www.GlobalDiscoveryNetwork.com) is a secure cloud platform designed for the global legal industry that enables the easy review and management of electronic business data typically associated with litigation, arbitration, investigations and compliance. Designed by Global 7 Technologies (www.global7technologies.com) to achieve strength through simplicity, Global Discovery Network features a clean web interface which enables quick learning for new users and smooth navigation for power users. There is no software to support, no long waits for the data shipping/processing cycle and no complicated pricing schemes.

About Global EDD Group Ltd

Global EDD Group was founded with the vision of bridging the wide gap between domestic organizations and their growing national and international legal technology needs. Based in Cleveland, Ohio, USA with regional centers in New York City and Singapore, Global EDD Group provides legal technology services for matters with a national or international scope, specializing in remote and onsite services ranging from data identification to trial presentation.
