

Toledo Trade Show Exhibit Specialists, Skyline Event Services, Help Two Families In Need

TOLEDO, OH, USA, January 30, 2014 /EINPresswire.com/ -- [Skyline Event Services](#), manufacturer and distributor of Toledo trade show booths, adopted two Ohio families this holiday season. Employees of the Toledo trade show exhibit company helped to purchase gifts and essentials.

TOLEDO, OH - Two local families had a little help with their holiday cheer this season when Skyline Event Services in Ohio stepped in to help provide them with gifts and essentials purchased with funds donated by the company and their employees. The Toledo trade show exhibit and design firm adopted one family in Toledo and a second in Cleveland.

"We were all so touched by the families that we adopted last year that it was an easy decision to do what we could to bring a bit more joy and hope to Ohio families again this holiday season. Through the generosity of our employees, and the Skyline Event Services company as a whole, we were able to raise a significant amount of money to purchase the items that were donated to these two wonderful families," explained [Kristie Jones-Damalas](#) of Skyline Event Services (<http://www.skylinees.com/>).

Skyline Event Services assists businesses looking to create an exhibit or trade show stand in the Toledo area which includes NW Ohio and Southern Michigan, for use at

events around the world. Available Skyline products include full trade show exhibits, portable displays, modular components, banner stands and pop-up displays. The company creates custom and semi-custom Toledo trade show booths, and also offers [rental displays](#). The company also provides storage of a client's trade show exhibit components. Custom-designed graphics, installation, set-up and tear down of stands and show service coordination are all provided by the company as well. Skyline Event Services serves the Toledo, Detroit and Cleveland markets as part of the global Skyline network.

Skyline Event Services specialize in all-in-one event marketing, management and design including:

- Architectural Exhibit Design & Construction
- Exhibit Management
- Integrated Marketing
- Creative and Conceptual Design

"The holidays are such a hard time for people that don't have the means to celebrate. It's particularly hard for families with children. The sponsorships are a chance for us to give back and do something that helps someone directly. We spend the morning shopping, then wrapping presents and ending with a luncheon. It's a chance for us to do something for someone else and at the same time spend some time together outside of the workplace. The donations have been so well-received and the idea so well-supported by our staff that I'm sure this is something we'll continue to do in future years," noted Jones-Damalas.

The Skyline network consists of nearly 100 design centers in North America and more than 1,500 team members worldwide. The company offers exhibit rentals and sales, custom-designed graphics and service support. To learn more about Skyline Event Services visit them at <http://www.skylinees.com/>.

About Skyline Event Services: Skyline Event Services designs and produces custom trade show displays and permanent exhibit structures for their clients. Every client works with a team consisting of a Skyline consultant, 3-Dimensional and/or 2-Dimensional designers and technicians to design a trade show display that will meet the client's branding, functionality, as well as their budget constraints. Skyline takes a full-service approach to every project, from developing the concept, purchase or rental of structural elements, graphic production, show service coordination, installation/dismantle on the trade show floor through shipping coordination. "An important part of our full-service approach are post-show meetings with our clients", stated Kristie Jones-Damalas.
