

Northstar Chrysler Jeep Dodge (Redcliffe) Now Offering Test Drives On The Chrysler SRT8 In Brisbane

The arrival of the all-new Chrysler 300 Core to Brisbane gives drivers the chance to experience its unique blend of performance and luxury.

REDCLIFFE, QLD, AUSTRALIA, February 5, 2014 /EINPresswire.com/ -- Auto buyers interested in getting behind the wheel of Chrysler's most powerful luxury sedan to date can now book test drives in the 2014 Chrysler SRT8® in Brisbane at [Northstar Chrysler Jeep Dodge](#).

Northstar has the selection and knowledge to assist buyers in choosing their perfect Chrysler in Brisbane.

Located in Redcliffe, Northstar recently took delivery of a huge selection of Chrysler models including the powerful and sophisticated SRT8. In addition, Northstar has also brought the Chrysler 300 CORE to Brisbane, boasting a lower price but with many of the same features and all of the great style the SRT8 has to offer.

“

Chrysler really seems to understand that different drivers have different needs, and the SRT8 and SRT8 CORE are a perfect example of their inclusive approach to car design.”

Bob Aldons

“Chrysler really seems to understand that different drivers have different needs, and the SRT8 and SRT8 CORE are a perfect example of their inclusive approach to car design. The CORE maintains all the power and performance, but at a lower cost thanks to a few less extravagances. For those who truly want it all, the SRT8 delivers one of the finest luxury sedan experiences on the road today,” said [Bob Aldons](#) of Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.redcliffe.cjddealer.com.au/>).

Under the stylish bonnet of the SRT8 lies an incredibly powerful 6.4L HEMI® V-8 engine, capable of producing 347 kW of power. The powertrain features an active valve exhaust system, delivering power to the rear wheels via its five-speed automatic transmission.

The interior of the SRT8 is just as impressive. Soft touch materials, leather, and just a hint of carbon fibre give the passenger cabin a racy, yet refined feel. Meanwhile, the 8.4-inch Electronic Vehicle Information Centre (EVIC) lets drivers keep a close eye on those staggering performance numbers.

Drivers interested in taking their own turn behind the wheel of the new SRT8 can [schedule a test drive](#) by visiting the Northstar website (<http://www.redcliffe.cjddealer.com.au/new-vehicles/new-chrysler-vehicles/chrysler-300-srt8>), calling 07 3106 0266, or stopping by the dealership at 320 Anzac Avenue, Kippa-Ring, QLD 4021.

"Driving this newest Chrysler in Brisbane truly needs to be experienced to be appreciated, and we encourage anyone in the market for a new sedan to stop in and get behind the wheel of an SRT8," Aldons said.

About Northstar Chrysler Jeep Dodge in Redcliffe:

Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.redcliffe.cjddealer.com.au/>) is a part of Northstar Motor Group, South East Queensland's largest Chrysler, Jeep, and Dodge dealer.
