

Two weeks until doors open to the Middle East's leading event for Military Satellite Communication professionals

SMi Group hosts the 2nd annual MilSatCom Middle East & Africa conference on the 24th & 25th February 2014 in Dubai, UAE.

LONDON, UK, December 2, 2014 /

EINPresswire.com/ -- With only 2 weeks to go, the MilSatCom Middle East & Africa [conference](#) is fast becoming the must-attend event for the region, and with new speakers added to the agenda there are now more reasons for attendees to secure their place.

The two day event will provide a platform for key figureheads in the marketplace to meet and discuss the latest developments and strategies that will shape the future of the military satellite communications market within this region.

Places are now extremely limited – [click here](#) to book today

Why attend?

The defence and security industry is rapidly changing in this region. Attendance at this event will bring you quickly up to speed with the latest developments and strategies that will shape the future of the military satellite communications industry.
