

Parcus Group Signs a Consulting Agreement with Telikom PNG

Parcus Group Signs an agreement with Telikom PNG for consulting and telecom product management training.

HONG KONG, SAR, CHINA, February 14, 2014 /EINPresswire.com/ -- [Parcus Group](#), a leading provider of [product development](#) training and consulting services for the telecom sector announced today that it has signed an agreement with Telikom PNG to provide consulting services around telecom product cost models and [product management training](#).

“Winning another national carrier contract this time with Telikom PNG, proves the benefits of our telecom specific orientation and our rich consulting experience. Our aim is to, by close collaboration with our customers, improve telecom service creation and product development processes and deliver market competitive products while increasing staff productivity and skills in the same time” said Igor Glavanic, Managing Director of Parcus Group. “We are pleased to be collaborating with Telikom PNG in this important undertaking and we look forward to the additional opportunity in exploring the natural beauty of their country in the same time.”

“Telikom PNG is rebuilding its capabilities towards an agile business and Parcus Group were able to demonstrate they had the skills and know-how to undertake the scope required and could do so with agility. They are focused on business improvement and we believe their telecom specific product development methodology will complement our market knowledge and contribute positively to the growth and professional development of our staff and business.” added Eugene Singh, Acting CEO of Telikom PNG.
